E.T. KidZone 2010-2011 School Year Registration

Cary Community Consolidated School District 26 is in the process of making changes for the 2010-2011 school year which will most likely result in changes for the E.T. KidZone program. Until the School District finalizes these changes, the Park District cannot accurately promote schedules or fees for the 2010-2011 school year. Please watch your E.T. KidZone newsletter or check the website for updated information on registration. The Park District is committed to offering a quality before and after school program and we appreciate your patience.
