Hilarious Holiday Party Communication Lab

Ages 6 - 13 years

We don't want A.N.T.S (Automatic Negative Thought System) in our day-to-day life. When we are anxious or sad, negative thoughts tend to crawl into our mind. This workshop will teach how to flip A.N.T.S off your party of life and proceed with a positive outlook into the school year. Dramatizations and highly motivating group games facilitated by a life coach like "Spritz It", "Flip-a-roni", and "Balloon Bust" will make this class memorable, meaningful, hilarious, and social. Themed souvenirs help reinforce the concepts from workshop-to-home.
